

Gobble-Gobble Spanish End of Lesson 1 Ability Check

While scoring, check the appropriate column.

#	Knew the correct answer right away.	Struggled a bit but came up with the correct answer.	Got part of the answer.	Didn't know a correct response.	<p>Ideal answers and other answers that could also be considered correct.</p> <p>Note about mil / muchas: For almost all of these the answer could just be "gracias" (thank you). "Mil" (used in the Spanish equivalent of "Thanks a million") might be a bit exuberant for some of the situations...even "muchas" (used in "thank you very much". That said, if your Spanish students want to use those phrases, why not! Enthusiastic thanks is usually a good thing!</p>
